- The Israel and Palestine conflict is something that's been happening since 1948. It's so heartbreakingly sad and I would suggest educating yourself on it.
- However, I have seen many people sharing incorrect, antisemitic and islamophobic infographics on Instagram.
- There are a lot of fake articles going around that can be really harmful. As this is a very complicated topic, I will most likely be writing a separate article so nothing is left out.

In India, COVID-19 is extremely serious and the country is seeing many deaths. It's horrendous and if you would like to donate to help, click here:
